1. [redacted] Comment. This information confirms the distribution of the units of the 19th Gds Mecz Div and the headquarters units of the Third Shock Army and the GCPG in the Magdeburg post as carried previously. [redacted] 25X1
- [redacted] he light occupation of the Flak Kaserne on 12 February, mentioned [redacted] paragraph 17, was probably caused by the fact that units of the 3d Gds AAA Div, on 9 and 11 February, had moved to the Schwerin-Wittstock area for exercises held by the IX Mtz Rifle Corps. [redacted] 25X1
- [redacted] Some of the occupation figures are again underestimated. Compare with the first mentioned reference report. [redacted] 25X1
2. [redacted] Comment. [redacted] the 63d Gds Mecz Regt of the 19th Gds Mecz Div in the Nachrichten Kaserne in Magdeburg until 30 December 1952. The mortar company mentioned in paragraph 13 is fairly definitely believed to belong to this regiment.
